1,000 MORE GIRLS BY 2020

We believe the Girls Inc. Experience equips girls to navigate gender, economic, and social barriers and to grow into healthy, educated and independent adults.

Our theory of change model was adapted with a holistic approach in mind and it is our goal to expand this vision to ensure that every girl has access to quality programming. With our growth grant we have an ambitious goal of providing services to 1,000 more girls by 2020!

We are right on target with four additional schools starting in the 2018-2019 school year. It is with excitement that we announce our partnerships with the Boys & Girls Club of Harbor City this summer, Lennox Middle School, Manhattan Elementary School, Lifeline Elementary School, and the expansion of Bright Star Academy.

Our partnerships are strategic and will allow the opportunity for a continuum of service as each school is a feeder-school to the sites we currently serve.

SUMMER EVENTS WITH OUR CORPORATE FRIENDS

Our friends at **Google** helped us kick off summer school with fun activities and healthy snacks!

Cooling down with **Moon Juice!**
The team helped our girls make smoothies made with organic ingredients and fresh fruit!

Electronic music artist and activist, **Madame Gandhi** showered our girls with love, drums and music as they celebrated the power of girls!

Children's Life Saving Foundation Camp 4 All provided an amazing surf day at Zuma Beach

The team at **PWC** visited Barrett Elementary to conduct coding workshops and computer science information activities.

Carbon 38 's Health & Wellness activities were an excellent way to get our girls summer ready!

MEET OUR DONORS

This summer we have received generous contributions from our local community and corporations. It is because of this support that we are able to continue our impact and provide quality programming to populations most in need. We thank all of supporters and would like to highlight the most recent contributions. To make a donation today visit www.girlsincla.org or email dmoseley@girlsincla.org
